### Considering Bankruptcy?

**Most businesses don't EVER want to consider it! Filing is like admitting defeat and closing out all of our dreams, but if you're in a financial corner you should.**

- *How much can you afford to pay toward debt?*
- *Are collection actions harming your reputation?*
- *Do you understand the Fair Debt Collection Practices Act?*
- *Is fear of being seen as irresponsible and untrustworthy the barrier?*
- *Do you have a lot of unsecured debt?*
- *Do you know the differences between Chapters 7, 9, 11, 13, & 15 bankruptcies?*
- *Will your credit be ruined by a bankruptcy?*
- *What about my Co-Signers?*

**Our Bankruptcy MasterMind Service is the tool you need to answer these questions and many others. We help you resolve problems and protect your future.**
